

2017 C.A.R.S. for Success

Who: Calderon Automotive Repair Services will be giving away a repaired and reliable 2002 Hyundai XG350 to a deserving person in our community on Saturday, November 4, 2017.

What: We need help locating this deserving person. We're looking for a caring, giving person- a friend, family member, co-worker, church member or neighbor- who helps others, but may be down on their luck. Think of that person who always seems to brighten your day, no matter what they have going on.

When: We will be receiving nominations from now to November 1, 2017

How: Those interested in submitting a nomination can do so by sending Calderon Automotive Repair Services a brief letter describing why they feel their nominee deserves the car. Entries must contain the nominee's name, telephone number, email, and available contact information, as well as the nominating person's contact information.

Entries can be:

- Emailed to service@calderonauto.com
- Mailed or dropped off at
Calderon Automotive Repair Services
